Holly is conducting a campaign on the 1step2be portal

We are starting a small community project in a remote but developing corner of Southern Ethiopia with the Hamar tribe, a minority indigenous people group whose traditional way of life is under threat. Donate what you can, no amount is too small!

### How to help in 3 steps

#### Choose

Choose a campaign that you wish to support

#### Donate

Pack clothing into any type of bags you already have at home and select the date for them to be collected (we'll recycle or reuse all plastic)

#### Enjoy

With one click you can be sure, that you will benefit selected charity and also help in reducing the 1 billion plastic charity bags that pollute the environment
