Holly is conducting a campaign on the 1step2be portal

We are starting a small community project in a remote but developing corner of Southern Ethiopia with the Hamar tribe, a minority indigenous people group whose traditional way of life is under threat. Donate what you can, no amount is too small!

How to help in 3 steps

Choose

Choose a campaign that you wish to support

Donate

Pack clothing into any type of bags you already have at home and select the date for them to be collected (we'll recycle or reuse all plastic)

Enjoy

With one click you can be sure, that you will benefit selected charity and also help in reducing the 1 billion plastic charity bags that pollute the environment
